A YEAR IN THE WORD....

...is an exciting new tool to strengthen your relationship with God as you journal your way through His Word. This has been designed for you to:

- Develop a worthwhile and abiding connection with God
- Discover transforming truths through God's Word
- Read through the Bible in one year

A great way to set the stage for your relationship with God is by establishing a **daily spiritual routine**. A daily spiritual routine means intentionally choosing to spend time reading the Bible, allowing the Holy Spirit to reveal to you truths in Scripture, and praying about how God may implement those truths to develop Christ's character in you.

The best time to use this tool is when you are at your best! If you're a morning person, do your Bible reading and reflection time in the morning. If you're an evening person, do it at night. Invest time with God during the best part of your day, every day. The bottom line is God deserves your best.

These steps will help you.

Step One:

Turn to today's date in this book. You will find four passages taken from the Old Testament, New Testament, Psalms and Proverbs. You may want to keep four bookmarks in your Bible so that each day you can turn to the right places conveniently. Ask the Holy Spirit to reveal God's truths to you in the Scriptures for the day. Check off each daily reading as you complete it to keep yourself accountable.

Buy a notebook or journal to record the following.

Step Two:

Ask "What Truths does God reveal in these passages?"

Make notes in the journal of truths the Spirit reveals as you read. Note carefully who God is and how God acts in the passages. Write down what is in your heart.

Step Three:

Ask "How can I apply these Truths today?"

Ask God to direct your thoughts to consider how you may apply those life-transforming truths in the relationships, situations, challenges, and responsibilities of your day. Write them down to clarify the life applications you discover.

This journal is designed to serve you. Be flexible on how you use it, but be sure to develop a healthy habit of using it daily. If you miss a day or two, just pick up with the current day's Bible readings if necessary to keep momentum.
